

PAPER CUP ERIDIO LAKE | 2019

PAPER PLANES FLIGHT RACE

RULES

Every participant must read the rules before taking part to the race in order to guarantee a respectful and enjoyable event

1. **Everyone is allowed to play. The attendance is free** and there are no limits on number of planes that can be thrown, but once it's your turn you can throw up to 5 planes in a row.
2. **THE PURPOSE IS TO FLY THE PLANE AS FAR AS POSSIBLE!**
3. **The race will finish at 4pm** together with the Paper Cup event. From that time it's not allowed to throw airplanes anymore.
4. Participants are asked to respect the queue. This race is a folkloristic competition, so it's not competitive.
5. **Every single plane can be thrown one time**, unless the plane lands outside the limited area. **It's strictly forbidden to go inside the limited area**, the penalty is disqualification from the game.
6. **Each airplane must be made with only one sheet of paper** which will be provided by the paper cup committee, and it is also allowed to use any other kind of material.
7. The judges are always allowed to intervene and they reserve themselves the right to disqualify airplanes that do not conform to the definition on Wikipedia.
8. It's allowed to use scissors or similar tools to make changes on airplanes, as well as it's allowed to test airplanes outside the race area.
9. Participants are responsible for the rubbish they produce. **Help us keep the environment clean, and recycle the paper.**

For all those who wish to support this event, they can make a voluntary donation to the Pro Loco of Anfo.
