

PAPER CUP ERIDIO LAKE | 2019

BLOWGUNS PRECISION FLIGHT RACE

RULES

Every participant must read the rules before taking part to the race in order to guarantee a respectful and enjoyable event

- 1. Attendance is free and open to all ages.** Every participant has to shoot 5 consecutive munitions (pive). After their shot, the participant must join the back of the queue if they would like another turn.
- 2. THE PURPOSE IS TO GAIN AS MANY POINTS AS POSSIBLE IN A SINGLE MANCHE.**
- 3. The race will finish at 4pm** together with the Paper Cup event. At this point all shooting stops.
- Participants are reminded that this is an inclusive, folkloristic event and must show respect to their competitors and the spirit of the game.
- 5. Every single piva can be thrown one time. It is strictly forbidden to go inside the limited area,** the penalty is disqualification from the game.
- 6. A piva can be constructed from a sheet of paper or journals** and these will be supplied by the Paper Cup Committee. No other material may be used to construct the piva.
- The judges are always allowed to intervene and reserve the right to disqualify participants if needed.
- 8. Piva cannot be tested outside the shooting zone** as this may pose a danger to the public..
- Participants are responsible for all waste they produce. **Help us keep clean the environment, and recycle the paper.**

For all those who wish to support this event, they can make a voluntary donation to the Pro Loco of Anfo.
